UNITED STATES PATENT AND TRADEMARK OFFICE CERTIFICATE OF CORRECTION

PATENT NO. : 7,103,581 B1 Page 1 of 3

APPLICATION NO.: 09/759649
DATED: September 5, 2006
INVENTOR(S): Lawrence Suen et al.

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

Delete the title page and substitute therefore the attached title page consisting of corrected number of drawing sheets.

The sheets of drawing consisting of figure 6 should be added after figure 5, as per attached figure 6.

This certificate supersedes the Certificate of Correction issued August 3, 2010.

Signed and Sealed this

Twenty-fourth Day of August, 2010

David J. Kappos Director of the United States Patent and Trademark Office

(57) ABSTRACT

A system and method are disclosed for estimating the amount of ink required for a specific print job. For example, the amount of ink for a particular color for a specific print job may be estimated. This estimation can be used for various applications such as predicting the cost of a particular print job.
